

Jingle Bells

Dashing through the snow,
In a one horse open sleigh.
O'er the fields we go;
Laughing all the way.
Bells on bobtails ring,
Making spirits bright
What fun it is to ride and sing
A sleighing song to night-Oh

Jingle bells, Jingle bells,
Jingle all the way
Oh what fun it is to ride,
In a one horse open sleigh x2

It's Beginning to Look a Lot Like Christmas

It's beginning to look a lot like Christmas
Ev'rywhere you go;
Take a look in the five-and-ten, glistening once
again
With candy canes and silver lanes aglow.

It's beginning to look a lot like Christmas,
Toys in ev'ry store,

But the prettiest sight to see is the holly that will
be
On your own front door.

A pair of hopalong boots and a pistol that shoots
Is the wish of Barney and Ben;
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen;
And Mom and Dad can hardly wait for school to
start again.

It's beginning to look a lot like Christmas
Ev'rywhere you go;
There's a tree in the Grand Hotel, one in the park
as well,
The sturdy kind that doesn't mind the snow.

It's beginning to look a lot like Christmas;
Soon the bells will start,
And the thing that will make them ring is the carol
that you sing
Right within your heart.

I Want a Hippopotamus for Christmas

I want a hippopotamus for Christmas
Only a hippopotamus will do
Don't want a doll, no dinky tinker toy
I want a hippopotamus to play with and enjoy

I want a hippopotamus for Christmas
I don't think Santa Claus will mind, do you?
He won't have to use a dirty chimney flue
Just bring him through the front door
That's the easy thing to do

I can see me now on Christmas morning
Creeping down the stairs
Oh what joy, what surprise
When I open up my eyes
To see a hippo hero standing there

I want a hippopotamus for Christmas
Only a hippopotamus will do
No crocodiles, no rhinosaurs
I only like hippopotamuses
And hippopotamuses like me, too

Mom says a hippo, would eat me up but then
Teacher says a hippo is a vegetarian

There's lots of room for him in our two-car garage
I'd feed him there and wash him there and give him
his massage

I can see me now on Christmas morning
Creeping down the stairs
Oh what joy, what surprise
When I open up my eyes
To see a hippo hero standing there

I want a hippopotamus for Christmas
Only a hippopotamus will do
No crocodiles, or rhinosaurs
I only like hippopotamuses
And hippopotamuses like me, too

When Christmas Comes to Town

La, la, la, la.....

I'm wishing on a star
And trying to believe
That even though it's far
He'll find me Christmas Eve

I guess that Santa's busy
Cause he's never come around
I think of him
When Christmas Comes to Town

The best time of the year
When everyone comes home
With all this Christmas cheer
It's hard to be alone

Putting up the Christmas tree
With friends who come around
It's so much fun
When Christmas Comes to Town

Presents for the children

Wrapped in red and green
All the things I've heard about
But never really seen

No one will be sleeping on
The night of Christmas Eve
Hoping Santa's on his way

[Repeat previous two paragraphs]

When Santa's sleigh bells ring
I listen all around
The herald angels sing
I never hear a sound

When all the dreams of children
Once lost will all be found
That's all I want
When Christmas Comes to Town

That's all I want
When Christmas Comes to Town

Rudolph the Red Nosed Reindeer

You know Dasher and Dancer and Prancer and Vixen,
Comet and Cupid and Donner and Blitzen,
But do you recall the most famous reindeer of all ?

Rudolph the red nosed reindeer
Had a very shiny nose.
And if you ever saw it,
You would even say it glows.

All of the other reindeer
Used to laugh and call him names,
They never let poor Rudolph
Join in any reindeer games

Then one foggy Christmas Eve,
Santa came to say,
"Rudolph, with your nose so bright,
Won't you guide my sleigh to night."

Then how the reindeer loved him
As they shouted out with glee,
"Rudolph the red nosed reindeer,
You'll go down in history."

Shoulda Been a North Pole Elf

Lately I've been spending time
Thinkin' about myself
And I have slowly come to realise
That I should-a been a North Pole elf.

Baking cookies, trimming trees,
And all the other Christmas stuff,
Like hanging mistletoe and candy canes,
Oh, I just can't get enough.

That is why I'm hoping
Soon a job will open
To work with Santa Claus himself.
There's no way to deny it,
Really want to try it.
I should-a been a North Pole elf.

With a hammer and a nail,
I'm something of a whizz.
And when it comes to wrapping packages,
I'm the very best that there is.

I'd be good at making toys
And stringing Christmas lights
And please forgive me if I start to brag,
But I'd prob'bly look good in tights.

That is why I'm hoping
Soon a job will open
To work with Santa Claus himself.
There's no way to deny it,
Really want to try it.
I should-a been a North Pole elf.

Lately I've been spending time
Thinkin' about myself
And I have slowly come to realise
I should-a been a North Pole elf.
I should-a, would-a, could-a been a North Pole elf.

Away in a Manger

1. Away in a manger no crib for a bed,
The little Lord Jesus laid down his sweet head.
The stars in the bright sky looked down where he lay,
The little Lord Jesus asleep in the hay.

2. The cattle are lowing, the baby awakes,
But little Lord Jesus no crying he makes.
I love thee, Lord Jesus! Look down from the sky,
And stay by my side until morning is nigh.

3. Be near me Lord Jesus, I ask thee to stay,
Close by me forever, and love me I pray.
Bless all the dear children in thy tender care,
And fit us for heaven to live with thee there.

Rockin' around the Christmas tree
Rockin' around the Christmas tree
At the Christmas party hop
Mistletoe hung where you can see
Every couple tries to stop.

Rockin' around the Christmas tree
Let the Christmas spirit ring
Later we'll have some pumpkin pie
And we'll do some caroling.

You will get a sentimental feeling when you hear
Voices singing "Let's be jolly,
Deck the halls with boughs of holly".

Rockin' around the Christmas tree
Have a happy holiday
Everyone dancing merrily
in the new old fashioned way.

Silent Night

Silent night, Holy Night!
Sleeps the world; hid from sight,
Mary and Joseph in stable bare
Watch o'er the child beloved and fair,
Sleeping in heavenly rest,
Sleeping in heavenly rest,

Silent night, Holy Night!
Shepherds first saw the light,
Heard resounding clear and long,
Far and near, the angel-song,
"Christ the redeemer is here!"
"Christ the redeemer is here!"

Silent night, Holy Night!
Son of God, O how bright
Love is smiling from thy face!
Strikes for us now the hour of grace,
Saviour since thou art born!
Saviour since thou art born!

Bells Ring Out! **P6/7 only**

Many, many years ago
Was the story often told,
About a baby King and the promising
Of a world that's filled with love.

Many years have come and gone
But the promise still lives on,
For we all remember the baby born
In a lowly cattle stall,
In a manger filled with straw.

The bells ring out for Christmas!
The bells ring out for Christmas!
The choirs sing; the angels bring
Good news from God, in all His glory.

Part 1: The bells ring out for Christmas!
Part 2: (The bells ring out for Christmas time!)

Part 1: The bells ring out for Christmas!
Part 2: (The bells ring out and when they call,)

Part 1: And when they call,
Part 2: (Come one and all,)

Part 1: Come one and all,
Part 2: (To praise the Lord,)

Part 1: To praise the Lord,
Both parts: In all His glory - now!

Listen now as we tell of the Lord
And the word for all mankind,
How the Lord God born in human form
Gives us cause to celebrate,
With enthusiastic praise.

The bells ring out... (etc.)
.... In all His glory,
All His glory, all His glory - now!

Winter Wonderland **P5 only**

Sleighbells ring, are you listening?
In the lane snow is glistening,
A beautiful sight, we're happy tonight
Walking in a winter wonderland!

Gone away is the bluebird,
Here to stay is a new bird,
He's singing a song as we go along,
Walking in a winter wonderland

In the meadow we can build a snowman,
And pretend that he's a circus clown;
We'll have lots of fun with Mr Snowman
Until the other kiddies knock him down!

When it snows, ain't it thrilling?
Though your nose gets a chilling,
We'll frolic and play the Eskimo way
Walking in a winter wonderland!

Sleighbells ring, are you listening?

It was on a Starry Night P4 only

1. It was on a starry night when the hills were
bright,
Earth lay sleeping, sleeping calm and still;
Then in a cattle shed, in a manger bed,
A boy was born, King of all the world.

And all the angels sang for him,
The bells of heaven rang for him;
For a boy was born, King of all the world.x2

2. Soon the shepherds came that way, where the
baby lay,
And were kneeling, kneeling by his side,
To celebrate his birth, bringing peace on earth;
A boy was born, King of all the world.

And all the angels sang for him,
The bells of heaven rang for him;
For a boy was born, King of all the world.x2
