

Lazy Days

1. Lazy days and summer sunshine,
What a way to spend my time!
Playing games and having fun times
In the shade and feeling fine.

Chorus

Dreaming of going on a holiday,
With sun and sea,
To places that I've never been before,
Out of doors.
Doin' all the things I've always wanted to .
I'll see the sights,
I'll hit the heights,
Then I'll have a lazy afternoon.

2. Making plans to build a castle
In the sand, for all to see.
Looking at the water sparkle,
Sitting back with my ice-cream.

Chorus

3. Taking walks on empty beaches
Thinking thoughts of lovely things.
Listen for the seagull screeches,
On the shore, the waves come in.

Chorus

Then I'll have a lazy afternoon. (Aaaah!)
