

WOODCUTTERS' SONG

- 1 Come on guys, let's get wise,
It's time to chop some trees down.
Come on guys, let's get wise,
It's time to chop them down.
Chop! Chop! Hack! Hack! TIMBERRRRRRR!
Chop! Chop! Hack! Hack! TIMBERRRRRRR!
- 2 This one's mine, it looks just fine,
The grain is nice and straight.
This one's mine, it looks just fine,
The grain is nice and straight.
Chop! Chop! Hack! Hack!
Saw! Saw! To me! To you! TIMBERRRRRRR!
Chop! Chop! Hack! Hack!
Saw! Saw! To me! To you! TIMBERRRRRRR!
- 3 This one's strong, its branches long,
Just right for a boat.
This one's strong, its branches long,
Just right for a boat.
Chop! Chop! Hack! Hack!
Saw! Saw! To me! To you!
Mind your back! Wear that hat! TIMBERRRRRRR!
Chop! Chop! Hack! Hack!
Saw! Saw! To me! To you!
Mind your back! Wear that hat! TIMBERRRRRRR!
- 4 This one's good, at least it's wood,
Any old one will do!
This one's good, at least it's wood,
Any old one will do!
Chop! Chop! Hack! Hack!
Saw! Saw! To me! To you!
Mind your back! Wear that hat!
Stand back! There she goes! TIMBERRRRRRR!
