

Amazing Ideas for Spelling!

- 1. Play Hangman using the common words.**
- 2. Write or print out up to 5 common words twice.
Then play a memory game, turning over matching cards and saying the words as you turn them over.**
- 3. Draw a "cloud" in the shape of the common word.
Try to guess the word by looking at the shape of the cloud (every word has its own distinctive shape).**
- 4. Reveal the common word letter by letter (in order).
Shout out the common word when you think you know what it is.**
- 5. Jumble up the common word (using magnetic letters) and rearrange. This could be done either with the common word in sight or hidden depending on how well the word is known.**
- 6. Use 3 upturned cups and put words under each.
Make sure that you know what the words are and where they are. Try to find the word after mixing up the cups (a bit like find the pea).**
